Scholarships: apply in early spring for next academic year!

KSU Math Dept:

- Cummins Scholarship
- Bill and Linda Gainer Scholarship
- Harshbarger Scholarship
- Math Club Scholarship
Independent Research Project

RESULTS

- Results are given in a range from low APV of expenses to high APV of expenses
- Estimates are for semi-private room costs in Ohio, and are sorted by male and female
- Females can consistently expect higher APV compared to male counterparts
- Lowest APV of costs would be for a male over the age of 95 at $141,700

Math Club: Meetings 4:00–5:00 alternate Tuesdays
Actuarial Math Club: Meetings 5:30–6:30 alternate Mondays
Actuarial Math Club: Meetings 5:30–6:30 alternate Mondays

Nationwide Financial Actuarial Program
Katelyn Douthitt, ASA
October 19, 2017
Internships: Apply in the fall for the following summer
Actuarial Math Club: Meetings 5:30–6:30 alternate Mondays
Pi Mu Epsilon National Mathematics Honorary Society

- Open to all majors
- Applications will be taken in the spring
- Requirements:
  1. Completed at least the equivalent of two semesters of calculus and two additional courses in mathematics, at or above the calculus level, all of which lead to the fulfillment of the requirements for a major in the mathematical sciences.
  2. Have maintained the equivalent of a grade point average of at least 3.0 on a 4 point scale in all mathematics courses that lead to the fulfillment of the requirements for a major in the mathematical sciences.
  3. Have maintained the equivalent of a grade point average of at least 3.0 on a 4 point scale in all courses that lead to the fulfillment of the requirements for an undergraduate degree.
Your Future!
