

Student Move	Description	Implementation
Add/Drop	Student switches to a class with the same Master Template in the first 10 days	Student uses Switch Class link <ul style="list-style-type: none"> • License transfers with them • Progress carries over <i>Note: Switch Class will disappear after 10 days</i>
Repeating Class	Student moves to the same level class after 10 days (same MT)	Instructor Moves Student <ul style="list-style-type: none"> • Previous class is inactive • New license used • Progress carries over
Promoted Student	Student moves to the next level class in the series	Student uses + NEW CLASS button or Instructor moves student <ul style="list-style-type: none"> • Previous class is inactive • New license used • Fresh start

1. New Student (non SSO)

The screenshot shows the ALEKS website interface. At the top left is the ALEKS logo with 'Mc Graw Hill Education' underneath. To the right are navigation links: LOGIN, ABOUT US, NEWS, CAREERS, CONTACT US, SUPPORT, and FEEDBACK. Below this is a horizontal menu with categories: WHAT IS ALEKS?, COURSE PRODUCTS, HIGHER EDUCATION, K-12, and INDEPENDENT USE & HOMESCHOOL. A search bar is on the right. The main content area features a login form with fields for 'Login Name' and a password field, a 'LOG IN' button, and links for 'Forgot your login info?' and 'System Requirements'. A red arrow points to a yellow button that says 'New Student? SIGN UP NOW!'. Below the login form are buttons for 'TAKE A TOUR' and 'FREE TRIAL'. A testimonial quote from Jill, K-12 at Mandalay Middle School, CO, is displayed. At the bottom, there are three colored boxes for 'ALEKS HIGHER EDUCATION', 'ALEKS K-12', and 'ALEKS INDEPENDENT USE', each with sub-links for user roles and navigation options like 'Success Stories', 'Implementations', and 'Buy ALEKS'.

SWITCH TO A NEW CLASS

Before switching to a new class, please note:

- After you switch to the new class, you will no longer be able to access your current class ("Math 10020 V1 – Section 1A / Pre-Algebra") or any of the progress you have made in that class.
- You may need to complete an Initial Assessment in your new class.

Please enter the new course code:

ALEKS®

You've been moved to a new class

You have been moved into Math 10020 V1 - Section 1B.

[Go To My Class](#)

Student switching sections should NOT use the + NEW CLASS button, as their progress will not transfer. If the instructor moves the student, their progress transfers but a new license will be used.

3. Student Repeating Sections – after first 10 days of class

After 10 days the Switch Class link disappears
