After clicking on the class name link, students can begin working in their ALEKS class.

NOTE: The “OPTIONS” page now only includes settings specific to the selected class since students will use the Student Account Home to manage their classes.

“Show more” Link

Students can click on the “Show more” link to see details about a class. Clicking on the “?” by “Current Progress” opens a pop-up that displays a legend to explain the Current Progress bar. NOTE: Current Progress only appears for active classes.

The screenshot displays two identical class cards for 'Basic Math / Kent 101- section 1' at Kent State University, instructed by Dr. Smith. The top card has a 'Show more' link highlighted with a red box and an arrow pointing to the bottom card. The bottom card shows additional details: Class Code: AF6RW-K1G1A, Reference: JDOE437, Start Date: 07/28/2012, and Time Spent in Class: 7 minutes. A 'Current Progress Legend' pop-up window is open, showing a progress bar at 79 +3 % and explaining the bar's colors: blue for content mastered based on the most recent assessment, green for progress in Learning Mode, and yellow for content not yet mastered.

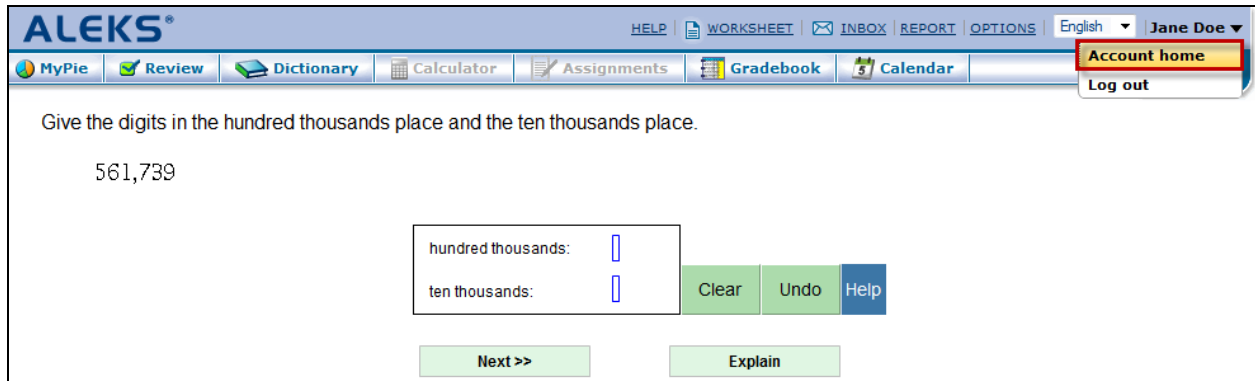

Logging Out of a Class

Students can log out of a class by clicking on the arrow beside their name, and then selecting “Log out” from the drop-down menu.

The screenshot shows the ALEKS user interface. At the top right, the user's name 'Jane Doe' is displayed with a dropdown arrow. Below this, a navigation bar contains several buttons: MyPie, Review, Dictionary, Calculator, Assignments, Gradebook, and Calendar. A 'Log out' button is highlighted with a red box.

Accessing Account Home While Working in a Class

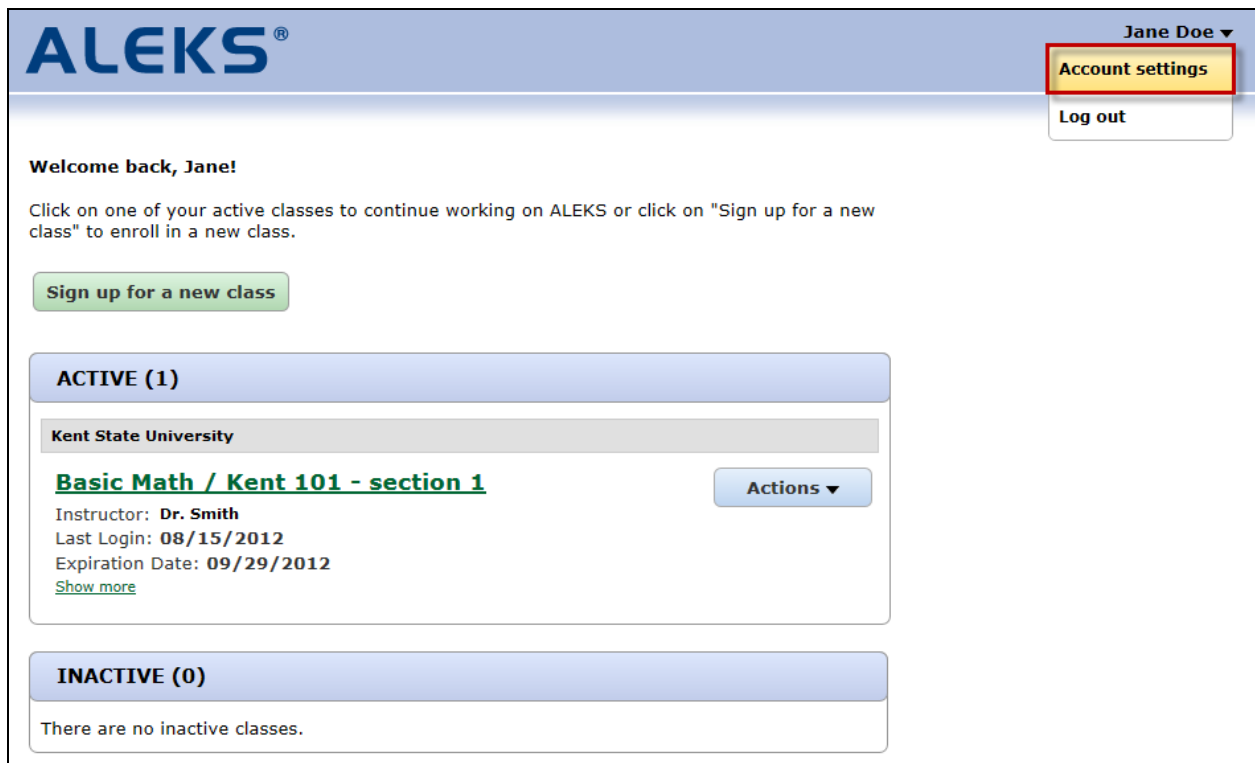

While working in a class, students can return to their Account Home by clicking on the arrow beside their name, and then selecting “Account home” from the drop-down menu.

The screenshot shows the ALEKS interface. At the top, there is a navigation bar with the ALEKS logo, a language dropdown set to "English", and a user name "Jane Doe" with a dropdown arrow. Below the navigation bar are several utility buttons: MyPie, Review, Dictionary, Calculator, Assignments, Gradebook, and Calendar. The main content area displays a math problem: "Give the digits in the hundred thousands place and the ten thousands place." followed by the number "561,739". Below the number are two input boxes labeled "hundred thousands:" and "ten thousands:". To the right of these boxes are "Clear", "Undo", and "Help" buttons. At the bottom of the main content area are "Next >>" and "Explain" buttons. In the top right corner, a dropdown menu is open, showing "Account home" (highlighted with a red box) and "Log out".

Edit Account Settings

From their Account Home, students can edit the information in their account by clicking on the arrow beside their name, and then selecting “Account settings” from the drop-down menu.

The screenshot shows the ALEKS Account Home page. At the top, there is a navigation bar with the ALEKS logo, a language dropdown set to "English", and a user name "Jane Doe" with a dropdown arrow. Below the navigation bar are several utility buttons: MyPie, Review, Dictionary, Calculator, Assignments, Gradebook, and Calendar. The main content area displays a welcome message: "Welcome back, Jane!" followed by instructions: "Click on one of your active classes to continue working on ALEKS or click on 'Sign up for a new class' to enroll in a new class." Below the instructions is a "Sign up for a new class" button. The main content area is divided into two sections: "ACTIVE (1)" and "INACTIVE (0)". The "ACTIVE (1)" section shows a class listing for "Kent State University" with the title "Basic Math / Kent 101 - section 1" (highlighted in green). Below the title are the instructor "Dr. Smith", last login "08/15/2012", and expiration date "09/29/2012". There is a "Show more" link and an "Actions" dropdown button. The "INACTIVE (0)" section shows the message "There are no inactive classes." In the top right corner, a dropdown menu is open, showing "Account settings" (highlighted with a red box) and "Log out".

Students can click on the “edit” link to edit their account.

The screenshot shows the ALEKS user interface. At the top left is the ALEKS logo, and at the top right is the user name "Jane Doe" with a dropdown arrow. Below this is a section titled "Your ALEKS Account" with an "Edit" link to its right. The account details listed are: Name: Jane Doe, Reference: JDOE437, Email Address: jdoe@example.com, and Pairing Status: Paired. Below this is a section titled "Kent State University" with an "Edit" link to its right. The university details listed are: Student ID: N/A and Email Address: jdoe@example.com. At the bottom center of the page is a green "Done" button.

After clicking on the “Edit” link, students can edit their email address, email settings, or pairing status.

The screenshot shows the "Your ALEKS Account" edit form. At the top right, it says "*=required". The form contains the following fields and options: "Name: Jane Doe", "Reference: JDOE437", "*Email Address: jdoe@example.com" (with a text input field), and a checkbox labeled "Apply this email to all of my ALEKS classes". Below these is the "Pairing Status: Paired" with an "[edit pairing]" link. At the bottom are two buttons: a green "Save" button and a blue "Cancel" link.

After clicking on the “Edit” link by their school name, students can edit their student ID or email address.
