

Goal Completion in Aleks- Msg is sent to instructor and student. This screen shows that Jiaying finished the course with 100% of the topics mastered and did not slip on the goal assessment! The instructor will assign the comprehensive assessment and enroll the student into the next course. See OL instructions. (Actual Student – 10021 H1 Fall 11.)

The screenshot shows the ALEKS interface for a student named Jiaying. The page displays the following sections:

- Radicals and Rational Exponents**
 - Square roots
 - [Square root of a rational perfect square](#)
 - Rational Exponents
 - [Cube root of an integer](#)
- [and many other more elementary concepts.](#)
- What Jiaying is ready to learn next**

Nothing left to learn in Beginning Algebra.
- History**
