

Alets

NEW Instructor View Quick Notes - Fall 18

1) Display of Time and Topic or Progress to send msg in Alets to selected students

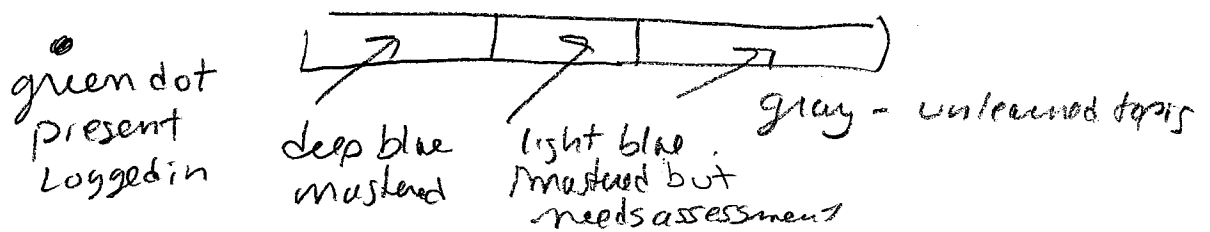

2) As they take a pushed out assessment:
go to class, assignment, then report (right of name)
to see them in Rep, taking the specific pushed out assessment
[can change the name of the knowledge check]

I use 1) progress: assess 1
midterm 1

2) Comprehensive: midterm 2
a) Final 1, 2
b) assessments
[c) Practice final
take home
over several days]

3) Can also see assessments in Progress Report:
"Detailed Progress History" - change dates

4) Progress Report - New Colors (check student views new location)

5) Home: select class: ex. 00021n, class summary,

(right) class options - (edit)

note:

Knowledge Check Location

Initial
 anywhere at institution

Other
 anywhere at institution
