

To Share a Student Desktop to the Projector or LCD (TV) Screens

1. Use the SMARTBoard computer. This is the only one that has the capability of receiving student input.
2. Click on the VNC icon on the desktop. It looks like this:

3. Type in the Monitor number in this field: The monitor numbers are listed in the table on the next page.

4. Click "Connect."

MONITOR NUMBER	TYPE IN THIS NUMBER ON the VNC Viewer
