

## MATH 10675, 10775, 11010

### HOW TO ACCESS YOUR ONLINE MATERIALS

Once you purchase the above workbook from the bookstore, here's how you register your code and create your account on Great River Learning.

1. **Scratch off** the foil at the bottom of the inside front cover of the workbook to reveal your code.
2. Go to <https://www.GRLcontent.com>
3. Type your code in the box that says "Access Code."

*Your unique non-transferable access code is only required at the time of registration. You will not need it again after you have created your Great River Learning Content account.*

4. Confirm "Kent State University" and the name of the workbook, *Precalculus Pathways to Calculus, A Problem Solving Approach Student Workbook*.
5. Select your course section number, which is on the syllabus provided by your instructor. BE CAREFUL TO SELECT THE CORRECT COURSE AND SECTION NUMBER.
6. Create your user account, username, and password.

YOUR REGISTRATION IS COMPLETE! Now that you have an account, you can use your username (email address) and password to access your course materials throughout the semester.

If you encounter difficulties with account setup, please DO NOT CREATE A SECOND ACCOUNT. Request technical assistance at <https://www.grlcontent.com/support-form>
