Creating a student account and registering on ImathAS

1. Visit the website, imathas.rationalreasoning.net and click on “Register as a new student.”

2. Complete the form as indicated. Your instructor will give you your Course ID and Enrollment Key.

That’s it! You can now link to your online homework inside your Rational Reasoning site.

a. Click on “Online Homework.”
b. This will take you back to the IMathAS login page. Simply use the login credentials you created in step 2 above.

c. Click on the course name to access your homework assignments.

Recall that to enter the Rational Reasoning site, you need to have created a course at www.rationalreasoning.net/activate using the activation code inside the front cover of your PRECALULUS Pathways to Calculus workbook.
