Gokarna Sharma sharma@cs.kent.edu

COF stats

73 people: 27 CS, 26 Math, 20 IMTH

Old Program 13

Second year 27

First year 34

COF poster session Sunday April 7th, 2019

This year we will start working on projects earlier than before. Project info form will be due October 15. This means that by October 15th you will need to find a group, advisor, and have some idea of what you want to do.

Project Info <http://www.math.kent.edu/~soprunova/cof/projects.html>
