Class Web  http://www.math.kent.edu/~zheng/CalIII

Text  Calculus, by James Stewart, Thomson.
Topics  Sections 10.7-10.9, Chapters 11-13.

Attendance  You are expected to be in class each day. A record of your attendance will be kept. If
missing a class is unavoidable, you are responsible for all material covered and all announcement and
assignment made during your absence. You are also responsible for checking your kent.edu email account on
a regular basis for possible messages. Make-up tests will be permitted only if there is a legitimate reason
for the absence, and if I am notified before the exam.

Homework  Homework will be assigned daily, and will be collected and graded. Successful students
complete their assignments on time and do not get behind!! No credit will be given for homework that
shows just answers without work. No credit will be given if just copy the solution from manual. Late
homework within 1 day from the due date will be accepted and only get partial credits.

Grading System  Three 100 point in-class mid-terms tests will be given during the semester, and a 200
point comprehensive final exam will be given during finals week. Homework will combine for another 100
points, making the course total 600 points. To Pass this course, you must score at least 50% on the final
exam.

Grading scale  A: 93-100%, A-: 90-92%, B+: 87-89%, B: 83-86%, B-: 80-82%, C+:77-79%,
C:73-76%, C-:70-72%, D+: 67-69%, D-:60-66%, F: below 60%.

Students with disabilities  In accordance with University policy, if you have a documented disability
and require accommodations to obtain equal access in this course, please contact the instructor at the
beginning of the semester or when given an assignment for which an accommodation is requires. Students
with disabilities must verify their eligibility through the Office of Student Accessibility Services (SAS) in
the Ground Floor DeWeese Center (672-3391).

Registration Requirement  The official registration deadline for this course is September 7, 2008. Uni-
versity policy requires all students to be officially registered in each class they are attending. Students who
are not officially registered for a course by published deadlines should not be attending classes and will not
receive credit or a grade for the course. Each student must confirm enrollment by checking his/her class
schedule (using Student Tools in FlashFast) prior to the deadline indicated. Registration errors must be
corrected prior to the deadline.
