- Video and pdf for lecture notes as well as home works will be posted on the course homepage. In general the lecture notes should be sufficient for you to learn and the book is not required. I will use "*Applied Combinatorics*" by *Alan Tucker* as a very general reference.

- Homeworks are assigned twice each week on Wednesday (and due next Saturday) and Friday (and due next Tuesday). Homework may be scanned and emailed to zvavitch@math.kent.edu (please, do make sure that your scan is readable before sending it). Homework assignments will be posted on the course homepage: www.math.kent.edu/~zvavitch/GTC_2016.html

Main Facts:

- The plan is not to have exams. But to have 10 Homeworks (i.e. 2 HW each week one on Wednesday (and due next Saturday) and Friday (and due next Tuesday)).

Main Facts:

- The plan is not to have exams. But to have 10 Homeworks (i.e. 2 HW each week one on Wednesday (and due next Saturday) and Friday (and due next Tuesday)).
- Grading - very direct! 10 homeworks, 10 points each = 100 points.

60 - 69	D
0 - 59	F

STUDENTS WITH DISABILITIES:

University policy 3-01.3 requires that students with disabilities be provided reasonable accommodations to ensure their equal access to course content. If you have a documented disability and require accommodations, please contact the instructor at the beginning of the semester to make arrangements for necessary classroom adjustments. Please note, you must first verify your eligibility for these through Student Accessibility Services (contact 330-672-3391 or visit www.kent.edu/sas for more information on registration procedures).

Statement on enrollment/official registration:

The official registration deadline for this course is 06/14/16. University policy requires all students to be officially registered in each class they are attending. Students who are not officially registered for a course by published deadlines should not be attending classes and will not receive credit or a grade for the course. Each student must confirm enrollment by checking his/her class schedule (using Student Tools in FlashLine) prior to the deadline indicated. Registration errors must be corrected prior to the deadline
