TO: All Math Graduate Students
FROM: Joe Diestel, Coordinator of Graduate Studies in Mathematics
RE: QUALIFYING EXAMINATIONS SIGNUP

If you plan on taking the Qualifying Examinations in January or August, please check below the areas in which you wish to be examined and return this form to Misty (Room 236 – or the ICM/Misty mailbox) no later than late October for January Qualifiers, and no later than late June for August Qualifiers.

The tentative dates for the examinations are:

The week before classes in January

(These dates are subject to change. Exact dates will be posted at a later time. However at this time, we need to know the below information as soon as possible. Thank you!)

Please Check the MATH qualifiers you plan on taking:

JANUARY 2005
